

ANNUAL PLANNING

The annual planning for the 2023 - 2024 academic year is shown below. At the time of writing, this annual plan is not yet complete. This is because many locations are not yet known and we are dependent on external parties for a number of activities. What is known are the activities that Study Association KIC will organize in the coming academic year and during which period these activities will take place.

Legend:

HG = Hanzehogeschool Groningen

ZP11 = Van DoorenVeste
